This diagram shows an exploded view of a mechanical assembly, likely a pump or engine component. The parts are labeled with their respective part numbers. The assembly includes a central housing (020650) with various internal components like valves (030130, 030250) and seals (000602, 030250). There are also external components like a motor or actuator (160473) and a control unit (150207). The diagram is organized into several groups of parts, each with its own set of labels.
