This diagram shows an exploded view of a mechanical assembly. On the left, three parts are listed vertically: 010216 (a small black dot), 030143 (a small black dot), and 603313 (a bracketed group). On the right, four parts are listed vertically: 110129, 020865, 1101B6, and 110198. The central illustration shows the assembly: a circular base (110129) with a central protrusion, a small rectangular component (020865) mounted on top, a thin oval ring (1101B6) below the base, and another thin oval ring (110198) below the ring. The part 603313 is indicated by a bracket on the left, encompassing the three parts listed below it.
